WATER TERRITORIAL AGREEMENT FILED WITH PSC

JEFFERSON CITY--Consolidated Public Water Supply District No. 1 of Boone County and the City of Ashland have filed a joint application with the Missouri Public Service Commission seeking Commission approval of a water territorial agreement which designates the boundaries of each water supplier in part of Boone County near Ashland.

The joint applicants state the territorial agreement will avoid wasteful duplication of services and undue cost to their customers and is not, therefore, detrimental to the public interest. The agreement will not presently change the water service supplier for any current customer.

Those wishing to participate in this case must file an application to intervene on or before **February 15, 2005**, with the Secretary of the Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102. Copies of the application should be sent to the following: J. Turner Jones, Jones Schneider & Bartlett, LLC., 11 North Seventh Street, Columbia, Missouri 65201; David G. Bandré, Bandré, Hunt, Snider, LLC, P.O. Box 1774, 225 Madison Street, 2nd Floor, Jefferson City, Missouri 65102; and the Office of the Public Counsel, P.O. Box 2230, Jefferson City, Missouri 65102. The Office of the Public Counsel is a separate state agency which represents the general public in cases before the Public Service Commission.
